

SUPER Buflex[®] Disc

Green
Black for DRY Application

Beautiful finishes can be achieved in much less time, now with DRY sanding !

Super Buflex Disc K-3000(Black)

Super Buflex Disc K-2000(Green)

SUPER Buflex, a unique, dry sanding integrates an ultra-flexible latex abrasive disc and a exclusive soft pad that cuts fast with a shallow scratch pattern which is easier to polish than grit 3000 or finer. Due to it's flexibility, Buflex can polish perfectly without altering original paint texture. Extremely uniform and shallow scratch pattern are the main reasons why Buflex system can produce beautiful finishes **in much less time**. Now, you can achieve "Zero Water" system upto Super Buflex !
